2025 BOARD OF TRUSTEE ELECTIONS

The nominated candidates to stand for PHMS Trustee Elections

Baikgaki, Thabo Clifford

Fulltime Safety Representative

I have passion for helping people and I would like to bring changes in Platinum Health Scheme.

Bogopa, Thabang Joy

Explosive Officer

I am willing to help transform Platinum Health by enhancing its services and building a good network with designated service providers in rural and remote areas. I will assist with risk management.

Buthelezi, Slindile Billie

CHEESA

Helping others. To have the chance to support and shape the work of strategic direction of an organisation. Act with reasonable care and skill. To make a significant difference to a course that matters to you.

Grundling, Werner

Managing Director

Contributing knowledge and skills to assist in keeping and growing Platinum Health to be the best medical aid in the country. Being a voice for the members.

Komane, Makwasa January

Electrician

As an electrician, I would be motivated to become a trustee in Platinum Health because I understand the importance of ensuring that members receive proper health care benefits. In my line of work, I am committed to safety and quality, and I believe these same principles are crucial in the management of Platinum Health. By serving as a trustee, I can use my skill in problem solving and attention to detail.

Kudumela, Matlebyane Zacharia

Geologist

I am passionate about health (mental & physical wellbeing) education and self-improvement. I want to transform lives through health education and making use of the benefits of having a medical aid such as Platinum Health. I strive for a better life for all, I'm passionate about people.

20 BOARD OF TRUSTEE 25 ELECTIONS

The nominated candidates to stand for PHMS Trustee Elections

Le Roux, Daniel Bartholomeus (Dan)

Pensioner

Having been involved with Platinum Health as CEO since the start in 2001, I have an in-depth knowledge of the scheme and the integrated service delivery model through which members and dependents are serviced. I have always maintained good relationships with members, unions, mine management, and service providers. I believe with 30 years of experience in the industry I can contribute to the success of Platinum Health.

Mabowa, Asser Mafihle

L&D Instructor (Trainer)

Helping others. To have the chance to support and shape the work of strategic direction of an organisation. Act with reasonable care and skill. To make a significant difference to a course that matters to you.

Makhubela, Keotshepile Lynette

Facilitator

To influence how medical aid funds are allocated, ensuring that members have access to essential healthcare services.

To advocate for members' rights, playing a vital role in ensuring that their voices are heard in decision-making processes.

To contribute to health equity by addressing disparities in access and quality of care within the medical aid scheme.

To address inequalities in access and quality of care within the medical aid scheme.

To drive positive change by implementing policies and initiatives that can lead to improved health outcomes for members and the community at large.

Overseeing the financial health of the medical aid scheme, ensuring responsible management and sustainability for future members.

Maluleke, Alson Ronny

Fulltime Representative

As to serve the interest of the members and grow the organisation at large. To empower the member a better service.

2025 BOARD OF TRUSTEE ELECTIONS

The nominated candidates to stand for PHMS Trustee Elections

Marumo, Mpho Johannes

Winch Erector Supervisor

I believe in people's wellness and putting people first. This platform will give me an opportunity to stand for members' rights and ensure first class treatment for fellow members.

Mashele, Esther

HRD Administrator

I want to motivate people on why they should join Platinum Health.

Masolo, Magane Isaac

Safety Officer

Elected to represent employees.

Matidza, Simon Careca

Fulltime Health & Safety Representative

I hope to make a difference and also help employees understand the benefits of having our Platinum Health medical aid and also try to make an impact in the scheme.

Modimola, Ramoseki Klaas

Process Controller

To help the medical scheme on the management of the funds and to improve the qualities and the benefits of the member. To provide help and clarity to the members of the scheme. To represent the interests of the members.

Mokgatlhe, Didimalang Jethro

Team Leader

To enhance the quality of our medical aid and its products so that the members can be secured and happy with the company.

2025 BOARD OF TRUSTEE ELECTIONS

The nominated candidates to stand for PHMS Trustee Elections

Monyepau, Motsei Dina

Enterprise and Supplier Development Receptionist

I am a single mother of four kids, three of them have serious though not life-threatening illness and I know how much as a parent one would struggle to get the necessary medical help for their kids. I then had my parents who are both unemployed and are both disabled due to stroke and younger sister who is solely dependent on me financially and it hurt me the most when I learned that I could not include her on my medical aid. This would help with my parents and their focus on themselves and I learned that a lot of mine employees are also struggling with having adopted kids on the scheme as the adoption process takes a long time. This becomes a huge frustration. As a board of trustee those amongst other reasons will be dealt with as our kids are the reason we are working.

Mosito, Paina John

Retired

Having served in the Platinum Health Board of Trustees previously, I have the appreciation of the workings of the scheme.

I derived great satisfaction in contributing to the success of Platinum Health, which in turn allows for the scheme to deliver superior services to the members. I'd like to do that again.

I feel very confident that I possess the background, experience and the drive to perform the functions required from a trustee.

Motlhaga, Oagile Melcah

Control Room Operator

I am currently a steward where I am working, and I have experience working with people. I have ideas on how to recruit people to join Platinum Health scheme and also improve the scheme. There are some things that I need to suggest in the board that can help to share scheme.

Motswapuleng, Kamogelo Samuel

Learning & Development Instructor

I want to help shape how health care benefits are provided to members. I also want to assist in making sure that the scheme remains financially viable and able to offer members quality benefits. With this experience I can broaden my career and professional network.

2025 BOARD OF TRUSTEE ELECTIONS

The nominated candidates to stand for PHMS Trustee Elections

Mpompa, Sibongile Precious

Full Time Shop Steward

To act in the best interests of the members. To be a mediator between the scheme and the members.

Rabalao, Mmalehu Gail

HRD Trainer

I want to be a trustee because of the skills and the shop steward experience I have. I believe that they will make me a better trustee to represent the interest of the members and their demand.

Radibela, Matthews Matuwe

WINCH Operator

I should become a trustee because I am passionate about making a positive impact and believe my skills in leadership strategic thinking and problem-solving and contribute to the success of the organisation. I would have the opportunity to guide important decisions, ensure the organisations long term sustainability. This role would allow me to develop professionally and will align with my values and vision for the future.

Seome, Johannes Bonolo

Pipes Track & Salvage

To grow my mind and experience in the medical fraternity and representing the workers on taking relevant decisions.

Siemens, Jan George (Poena)

Member

I want to serve the members of PHMS & add value to PHMS.

Wenhold, Heinrich Ockert

Pensioner

To ensure good corporate governance are applied. The scheme is run to the benefit of members and the employees. Transparent governance by the board of trustees.
