

# Our staff celebrated Mother's Day with style!

Celebrating our amazing Mothers at **Northam Zondereinde** and **Setaria Clinic**

Mother's Day is a special time to honor the love, strength and kindness of all the incredible moms in our lives.

Our team took a moment to show appreciation by gifting and celebrating the wonderful mothers at our clinics.

A big thank you to everyone who made this special, our nursing service manager, MI Maphike, pharmacist Mr. F Sebola and Dr. D Shiburi for reminding us of the importance of family. You are all truly appreciated!
