

Song Vibrations

What a comeback!

As many of you know, our highly anticipated Song Vibration Competition took place on Friday, 21 November, in Rustenburg.

This year, we had the most entries ever, with 10 incredible choirs competing fiercely for the trophy. A big congratulations to everyone who participated and helped make this event truly memorable! Your passion and talent truly shone through.

We invite you to all relive the moments with us – roll back the tape and enjoy the videos and photos we captured during the event.

We are already looking forward to even more entries next year. Until then enjoy and keep the spirit alive!
