# PLATCOMPREHENSIVE MATERNITY MANAGEMENT:

## ALL PREGNANT MEMBERS HAVE TO REGISTER ON THE MATERNITY PROGRAMME THEMSELVES.

### 1. FIRST VISIT:

A referral letter from GP/Specialist to see Gynaecologist is required. The referral letter and ante-natal labs need to be send to Case Management for approval and appointment. In the case of late-joiners, pregnancy as pre-existing condition is excluded from the scheme. A sonar report will be required for all late joiners to determine gestation. Medical scheme rates apply. Admin fees are non-refundable.

Only pregnancy supplements on the formulary are paid for by the medical scheme.

### 2. FOLLOW-UP VISITS:

A specialist authorisation (SEM Number) is necessary for Gynaecologist/Obstetrician consultations. You will need a SEM number for each visit. You need to make the follow-up appointments prior to your visits and submit it to Case Management for approval. You are covered at 100% of the scheme tariff and medical scheme rates apply should you not use the scheme designated service providers (DSPs).

### 3. MATERNITY PROGRAMME NUMBER (GYP NUMBER):

When registered on the Maternity Programme you will receive a GYP number and this number need to be used for bed booking (hospital pre-authorisation) only. Medical scheme rates apply.
